

# Bulk Email Service

With our Bulk Email Service you can reach a large number of recipients efficiently and affordably.

Whether you're sending newsletters, promotional offers, or important updates, our service ensures your messages get delivered right to the inbox.

With flexible pricing that lets you only pay for what you send, you can scale your email campaigns to match your business needs without breaking the bank.

Send bulk emails & only pay for what you send!

Communicate promotions, updates, and news to your customers.

Stay connected and engaged with your customers.

Reach the right audience with the right message.

Benefit from fast email delivery via **AMAZON SIMPLE EMAIL SERVICE (SES)** for high deliverability. You can optimise your email communication with reliable, scalable, and secure solutions that ensure compliance and efficiency.

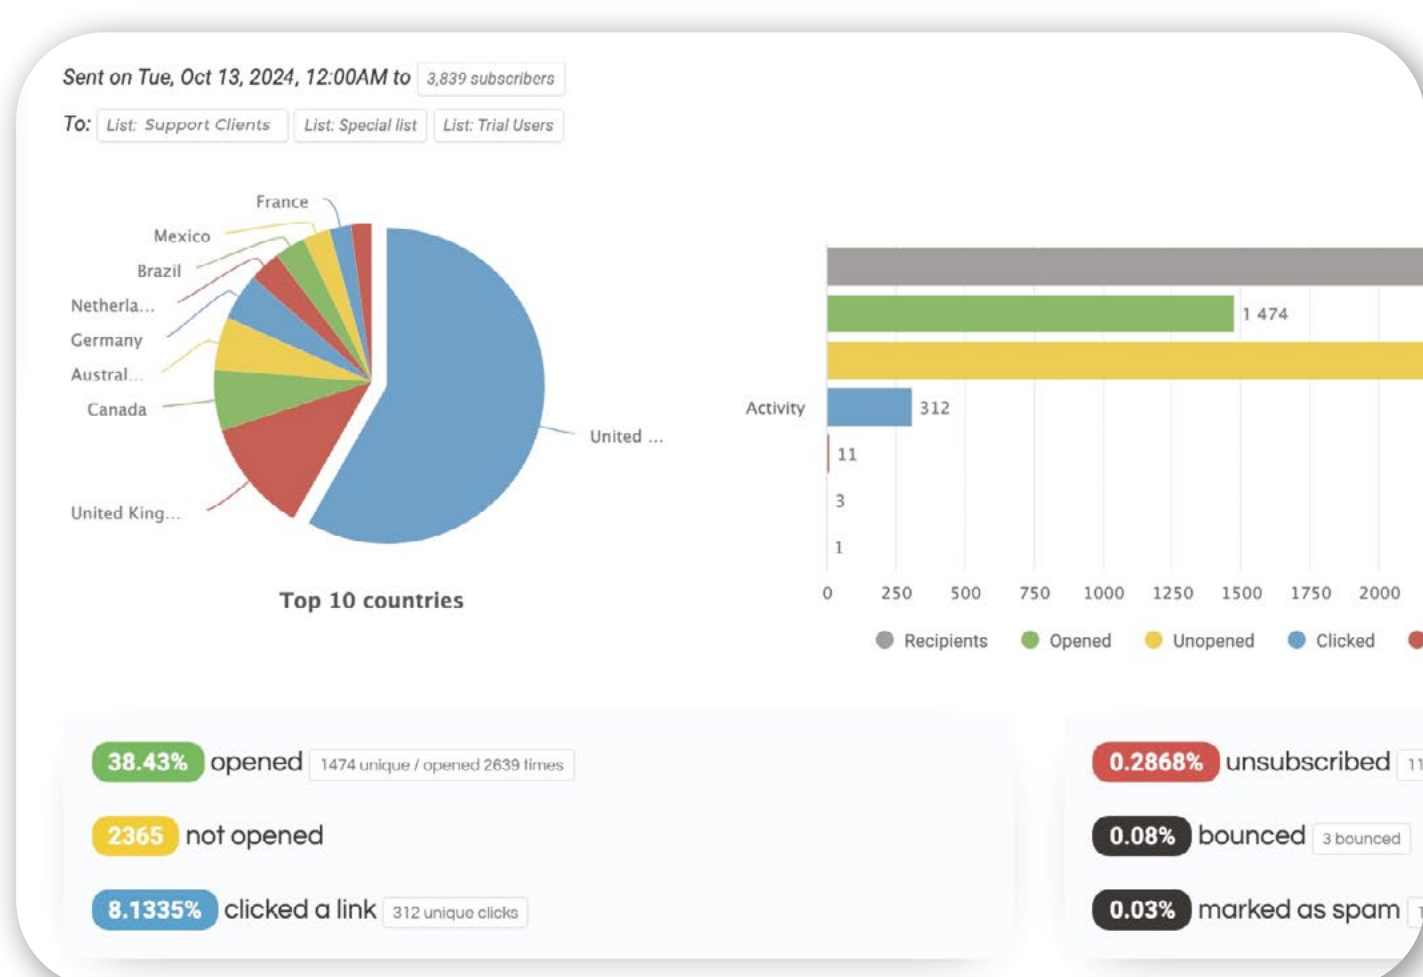

**OUR SOLUTION INTEGRATES SEAMLESSLY WITH YOUR EXISTING EMAIL INFRASTRUCTURE**, ensuring smooth and efficient communication across your preferred platforms. Whether you are using Google Workspace or Microsoft 365, you can trust our service to deliver your emails effectively and reliably.

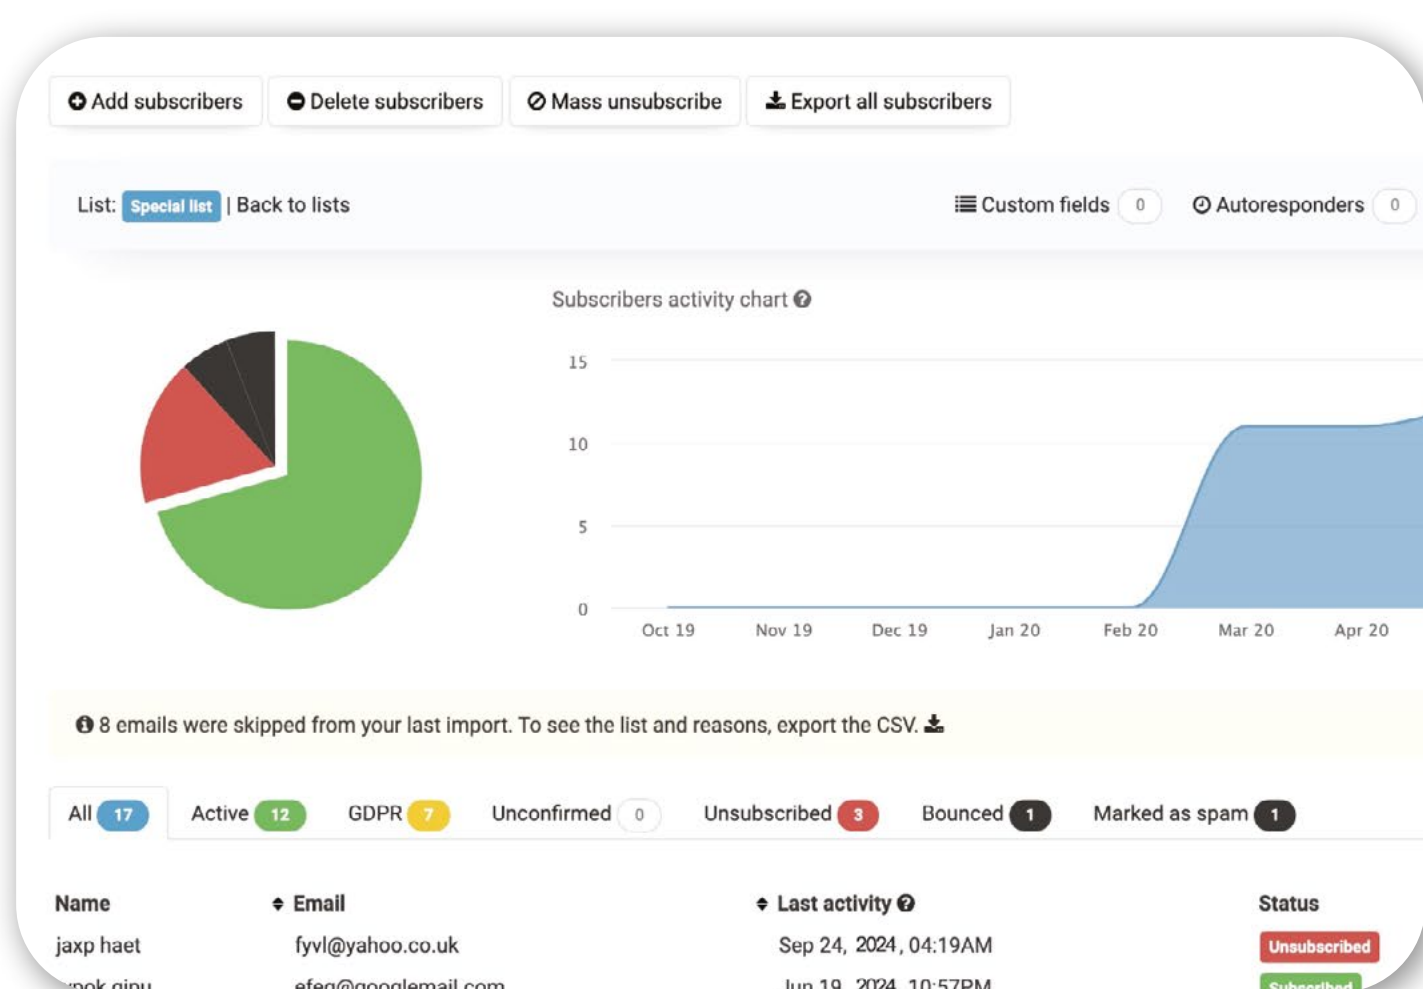

# FEATURES

- **Compatible with all mail services (including Google Workspace and MS 365).**

- Track campaign and autoresponder performance with **DETAILED REPORTS**.
- **VISUALISE METRICS** like opens, clicks, bounces, complaints, and subscriber locations.
- **KEEP LISTS CLEAN** with automatic handling of bounces, complaints, and unsubscribes.
- Create a **PERSONALISED EXPERIENCE** with segmentation and personalisation tags.
- Export subscriber segments for re-targeting.
- Keep subscribers engaged and your brand top-of-mind by automating your marketing with **SCHEDULED EMAILS & DRIP CAMPAIGNS** - email sequence can be setup ahead of time to send timed emails to a selected list.
- Effortlessly **MANAGE AND SEGMENT** lists and subscribers to ensure the right message reaches the right audience.
- **AUTO SUBSCRIBE TO LIST** - Add a form on your website that automatically adds a new subscriber to the selected list and then sends them the emails in the drip campaign.

The screenshot shows a table with columns for 'Last activity' and 'Status'. The 'Last activity' column lists dates and times from Feb 23, 2019, to Sep 07, 2018. The 'Status' column shows various states: Unsubscribed, Subscribed, Bounced, and Marked as spam.
